SERVICES

INDUSTRIAL SUBSIDIES

The State and Central Governments of India announce various schemes, in order to promote economic activity in various sectors. These schemes provide benefits in various forms to the Entrepreneurs. The benefits could be in form of:

- Financial aid for infrastructure development
- Financial aid for technology development
- Tax cuts / rebates
- Power tariff subsidies
- Subsidized land registration charges
- Etc.

The Government has placed very stringent norms, which the entrepreneurs have to adhere with, in order to receive the financial aid / benefit. Adherence to the norms has to be documented perfectly. Any mistake made in the documentation / application will lead to rejection of aid / benefit to the business. With our immense experience in this area we can help you prepare error free applications and documentation. And with the help of our deeply rooted network and good will in various Govt. offices we can ensure the timely release of aid / benefit to your business.

OUR UNIQUENESS

End to End Service

We believe that our job does not end at submitting the application to the Implementing agency. But it ends only after you receive the final and complete benefit of the respective scheme.

Long Term Commitment

Most of the times subsidies and benefits are not done in a single payment, they are paid as per different milestones reached in the project. And projects take few years to complete. We will provide our support till the project is completed and the complete benefit is received.

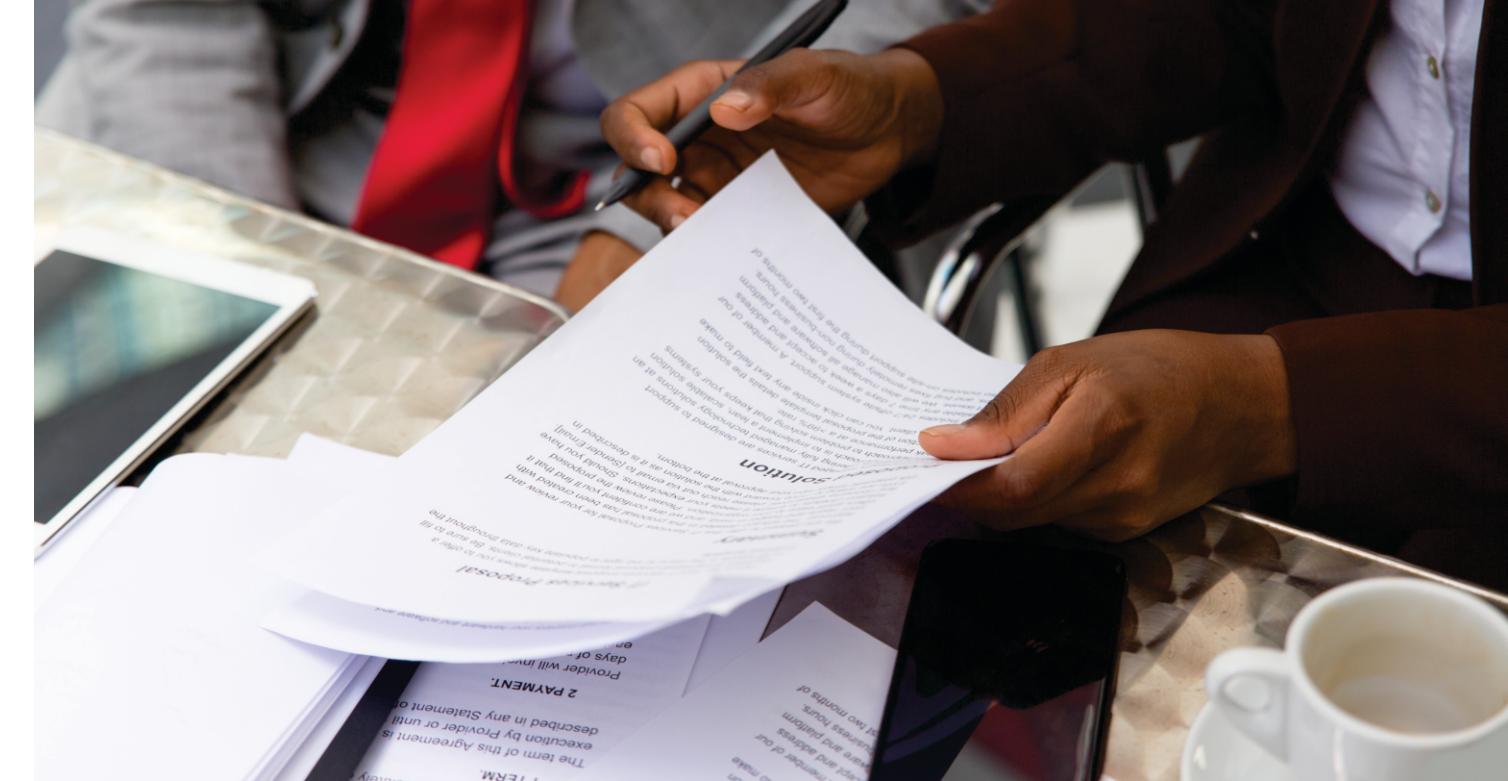

Attention to Detail

Projects and applications undergo very keen scrutiny from the respective implementing agencies. Even a small missing detail can become a cause for rejection of benefit. We ensure that we leave no reason for the Implementing Agencies to reject the application.

Single Window Service

For making a complete application, one has to take help of various professionals like Chartered Accountant, Chartered Engineer, Banks, Lawyers etc., With our deeply networked community you can get all those services in a Single Window through us.
